

DETAILED ACTION

Allowable Subject Matter

Claims 51-53 are allowed over the prior art of record.

The following is a statement of reasons for the indication of allowable subject matter: Applicant has claimed uniquely distinct features in the instant invention which are not found in the prior art either singularly or in combination of uploading to said second database associated with said web server de-identified personal information, including medical information, of said users from said first database; uploading to said second database from a third database associated with a registration authority server anonymous IDs for each of said users; and indexing said de-identified personal information, including medical information, of said users in said second database by anonymous ID without providing indexing to said first database. These features are not found or suggested in the prior art.

The closest prior art Illif discloses a conventional user being able to interact with one or more servers connected through a common gateway; either singularly or in combination fail to anticipate or render the above underline limitations obvious.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
